## Telework Exchange Hits the Road for Denver Telework in a Box Event

*Complimentary August 11<sup>th</sup> Event to Focus on Learning from Telework Adopters*

**Alexandria, Va., August 4, 2009** – Telework Exchange is hosting the complimentary Telework in a Box event, “Learning from Telework Adopters” on Tuesday, August 11, 2009 at The Oxford Hotel in Denver, Colorado. The event will feature speakers from the Colorado Department of Labor and Employment, Denver Regional Council of Governments, United States General Services Administration, United States Patent and Trademark Office, United States Treasury Inspector General for Tax Administration, Adobe, and Telework Exchange.

The Telework in a Box event details include:

- **Date/Time:** Tuesday, August 11, 2009, 8:00 a.m. – 11:15 a.m.
- **Location:** The Oxford Hotel, 1600 17<sup>th</sup> Street, Denver, Colorado 80202
- **Details:** Register online at [www.teleworkexchange.com/teleworkinabox/denver](http://www.teleworkexchange.com/teleworkinabox/denver). There is no cost to attend

The Telework in a Box event will focus on lessons learned from agencies that are implementing telework programs – how early adopters manage by results and meet business and mission objectives in a telework environment, how they evaluate telework program return on investment, and how to break down telework barriers.

The Telework in a Box event series is sponsored by Adobe. For more information and to register to attend this free event, visit [www.teleworkexchange.com/teleworkinabox/denver](http://www.teleworkexchange.com/teleworkinabox/denver).

### About Telework Exchange, LLC

Telework Exchange is a public-private partnership focused on demonstrating the tangible value of telework and serving the emerging educational and communication requirements of the

government teleworker community. The organization facilitates communication among teleworkers, telework managers, and IT professionals. For more information on Telework Exchange, please visit [www.teleworkexchange.com](http://www.teleworkexchange.com).
